

BOSS PANELS, GATES & BALUSTRADES

The Boss Landscape fence is a rakeable fence catering for slopes of up to 30°. Boss provides a modern look, and is available in 2 or 3 rail options.

The Boss Pool Fence has been designed to offer a modern look on terrain that is either flat or sloping (up to 30 degrees) making it perfect for undulating sites.

Manufactured from pre-galvanized steel the finish is smooth to the touch while offering substantial corrosion protection.

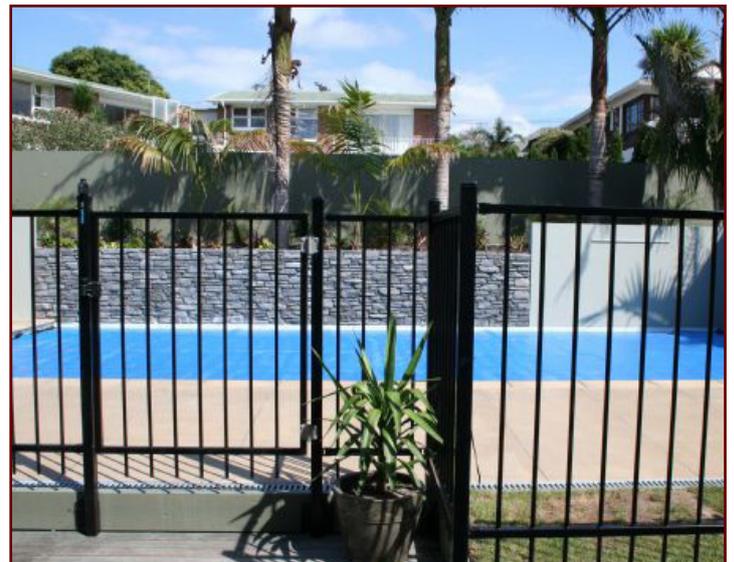

With a 40 x 25mm top rail, 40 x 40mm bottom rail and 16mm square verticals, the Boss fence offers a modern, trendy look.

With its locking system, the Boss fence is able to rake up & down slopes, to a maximum of 30o without the need for any modification.

The Boss Pool fence is fully compliant with the New Zealand Fencing of Swimming Pools Act, 1987.

Boss panels may be powder-coated before installation.

The Boss panel is available in 0.95m, 1.2m, 1.5m and 1.9m heights.

Ideal applications for Boss Panels include:

- Industrial business parks
- Commercial properties
- Residential housing
- Schools
- Early childhood centres
- Sports fields and enclosures
- Shopping centres and malls
- Pedestrian access barriers
- Recreation facilities
- Carparks
