TRADITIONAL DRIVEWAY & PEDESTRIAN GATES

These ever popular gate styles are the perfect choice for adding security and style to your property.

All styles are custom made to the measurements you require and powder coated the colour of your choice. Driveway gates can be single or double, swing or sliding, all suitable for automation.

Traditional Gates are available in standard 1.2m, 1.5m and 1.8m heights and can also be built to suite.
